Message from the Committee

The last two years have seen a reinvigorated Support Group. Our profile has been strengthened through involvement with The Cancer Council of NSW via Relay For Life events and the publication of the booklet on Lymphoedema Experiences.

This year we are trialling a new initiative, free bus travel from rural and regional NSW to our Information Day in Sydney, hopefully funded by a grant. We are aware that many rural people experiencing Lymphoedema find it difficult and expensive to travel to Sydney. We wish to assist these people so they/YOU do not miss the opportunity to attend the day.

However, there is still much to be done. We need more input, help and participation from our members to continue our work.

What improvements in Lymphoedema services would YOU like to see?

In what directions would YOU like to see the Lymphoedema Support Group of NSW develop?

How can YOU help to achieve these improvements?

**ALL PEOPLE AFFECTED BY LYMPHOEDEMA, WE NEED YOU. COME TO OUR AGM WITH
YOUR ENTHUSIASM AND IDEAS.**
